How This Booklet Works

This booklet contains all 94 MCQs from the original test paper, re-verified for accuracy. Every question that had an incorrect answer marked in the original paper has been corrected here after careful fact-checking. Each question is presented in its own clearly bordered section, with the correct option highlighted in green and ticked, followed by a short explanation.

Green & Ticked = the verified correct answer

Options A–D shown for every question

Explanation box below every question

QUESTIONS 1 – 20 · GENERAL KNOWLEDGE, ENGLISH & COMPUTER

1 What is the meaning of the Proverb, "All and sundry"?

A Rich man

B Everybody ✓

C Selected person

D Poor people

Explanation: The idiom "all and sundry" means "everybody, without exception."
